COMPANY MISSION

To improve the production processes and quality standards by focusing on future innovations and cutting-edge manufacturing technologies. To handle each order with utmost value and a sense of urgency

OUR VISION

To provide the good quality of products to our valuable clients at a very low price. To assure providing you the best quality

OUR SERVICES

Personal protection and hygiene products are mandatory to minimize health and safety risks and maximize efficiency and productivity. We are here to meet all your safety products requirements which have always been widely used in the Medical, Clean room, Laboratory, Construction, Oil and Gas Mining, Agriculture, Food Manufacturer and Processing, Hospitality, Beauty, Hygiene and other PPE fields.

We are the manufacturers of uniforms, designing high quality work wear with our team of experienced fashion tailors. With our attention to detail, we'll make sure your team comes to work everyday, stylish and comfortable.

OUR PARTNER

At PROQUIMIA, we have been specialists in the manufacture of professional cleaning products and chemical solutions for industrial processes since 1971, when the company was founded by Josep M. Onyós de Plandolit.

With 50 years of experience and a high degree of innovation, specialization and quality-service ratio, PROQUIMIA has positioned itself as a leading company on a national level in the hygiene and industrial chemical treatments sector.

—WHY CHOOSE US UNIVERSE CO.

QUALITY

We believe that long term business relationships are built on trust. It is our policy to be honest and open, providing our customers with quality services at a fair price, whilst also ensuring the sustainability of our business.

COMMITMENT

We are committed to the success of our customers and believe that your hard work is as valuable as ours. We are always ready to serve every potential customer and we'll be glad to develop business with them.

SUCCESS

We strictly abide by the specifications, follow the business ethics and try best to safeguard our position in Kuwait's market to supply good quality products consistently with customer satisfaction. Any inquiries or orders will be greatly appreciated and given the best attention with a prompt reply.

CLEANING CHEMICALS
